

**Yellow warning
Rain**

Between
15:00 Thu 8 Sep 2022 and
23:45 Thu 8 Sep 2022

**Heavy rain may cause travel disruption, and flooding in a few places.****What to expect**

- Spray and flooding on roads probably making journey times longer by car and bus, with rail services possibly also affected by flooding.
- Flooding of a few homes and businesses is possible.

Further details

A period of heavy rain is likely later this afternoon and evening, perhaps with thunder close to the east coast. 10 to 15 mm may fall within an hour in a few spots, while more widespread totals of 20 to 30 mm seem likely over 3 to 6 hours. Some hillier parts, perhaps especially across Lothian and Borders, could perhaps see around 50 mm, this falling onto wet ground, increasing the possibility of a few flooding problems.

✓ Medium likelihood of low impacts
